📍 Belagavi, Karnataka Pin - 591309

## Objectives

---

Motivated MCA student with a strong foundation in full-stack web development and data analytics. Skilled in building responsive applications and interactive dashboards using modern technologies. Seeking an entry-level opportunity to apply problem-solving abilities and technical expertise to develop scalable and impactful solutions.

## Education Details

---

### Master of Computer Applications (MCA)

Jain College of Engineering (JCE), Belagavi  
Currently Pursuing

2024–2026

### Bachelor of Computer Applications (BCA)

SNJPSNMS Trust's BCA College, Nidasoshi  
Percentage: 78.33%

2021–2024

## Projects & Internship

---

### 1. Personal Finance Dashboard | MERN Stack | [Link](#)

- Built a full-stack web application to track income and expenses
- Implemented user authentication and real-time data updates
- Designed dashboards for financial insights and analysis
- Deployed using Vercel and Render

### 2. Online Library Management System | MERN Stack

- Built a full-stack web application for managing books and students
- Implemented secure user authentication and protected routes
- Developed book issue/return and fine management features
- Built responsive dashboards and management panels using React and Tailwind CSS
- Integrated MongoDB database with RESTful APIs using Node.js and Express.js

### 3. Inventory Analysis Dashboard

- Built an interactive dashboard to analyze sales and inventory data
- Created key metrics (KPIs) to track performance and stock levels
- Visualized trends to support data-driven decision-making

## Internship

---

➤ **Data Analytics Intern – Excerpt Technologies Pvt Ltd, Bangalore**  
**Feb 2026 – April 2026**

- Built advanced dashboards using Power BI and SQL for data analysis and reporting
- Used Python libraries (Pandas, Matplotlib) for data processing and visualization
- Developed a GUI-based application for interactive data insights
- Generated actionable insights from real-world datasets for decision-making

➤ **Data Analytics Intern – Simdaa Technologies Pvt Ltd, Pune**  
**April 2024 – May 2024**

- Created Power BI dashboards for inventory analysis
- Used SQL queries to extract and manage data
- Assisted in generating reports for business insights

## Technical Skills

---

- Programming Languages: Java, Python, C, JavaScript
- Web Technologies: HTML, CSS, JavaScript, React.js
- Database: MongoDB
- Tools & Platforms: Git, GitHub, Power BI, VS Code
- Concepts: Data Structures & Algorithms, REST APIs, OOPs
